

# PUZZI 10/2 ADV

## SUSTAINABILITY INFORMATION

The Puzzi 10/2 Adv is an efficient spray-extraction cleaner for thoroughly cleaning carpet areas. It is particularly suited for hygienic and effective cleaning of small to medium surfaces. Thoroughly cleaning carpets ensures a long service life and helps conserve the value of surfaces. Thanks to the flexible floor nozzle, the angle of the nozzle is always adjusted to the right position. This leads to a very good vacuuming performance. Therefore, the inserted power is used in a very efficient way. This enables a faster drying of up to 30% compared to competitive machines with the same energy consumption.

### Technical data

Voltage	V / Ph / Hz	220-240 / 1 / 50
Air flow	l/s	54
Vacuum	mbar	220
Turbine capacity	W	1,250
Pump capacity	W	80
Fresh water tank	l	10
Dirty water tank	l	9
Sound-pressure level	dB(A)	71
Cable length	m	7.5
Min. service life	h	500
Place of production	CER Cleaning Equipment S.R.L. 115300 Curtea de Argeş Romania	

### Sustainability features

Silent -  
71 dB(A) noise  
level only

Recyclable  
paper-based  
packaging

### Certifications and regulations

GPP

CAM

Product meets technical  
specification criteria  
according to GPP and CAM

Kärcher grows sustainably while implementing strong responses to environmental & social challenges into our core business. Therefore Kärcher supports the United Nations Sustainable Development Goals (SDGs) and has summarized its sustainability strategy in three major goals:

### Zero Emissions

#### Since 2021

- **Factories** across the world have been using green electricity for production

#### By 2025

- **Scope 1 and scope 2** CO<sub>2</sub> emissions will be reduced by 21%
- **Scope 3** emissions and the carbon footprint of products will be transparent

### Reduce, Reuse, Recycle

#### Since 2020

- Reduction of **ocean plastic**

#### By 2025

- Sustainably optimised **packaging**
- Products with up to 50% **recycled plastic**
- Pilot production without **plastic waste**
- Sustainability as part of **new business models**

### Social Hero

#### By 2025

- Social commitment focused on **preserving values**
- Proactive **supplier risk management system** for sustainability

## ISO standards

### ISO 50001

Energy management: continuous improvement of performance, efficiency, safety, application and consumption.

### ISO 14001

Continuous improvement by reducing waste and CO<sub>2</sub> emissions, saving water, energy and the use of materials.

### ISO 9001

Continuous improvement of process management and customer satisfaction.

## Kärcher's initiatives and cooperations

## Awards

Kärcher has won the 2025 German Sustainability Award, making it one of the pioneers in sustainability. The independent jury honored the company twice in the categories "Household Appliances" and "Mechanical Engineering" for its sustainable solutions. Kärcher is thus receiving the renowned prize for the second time after 2022, making it one of the very few companies in Germany to have been honored twice.
